CPE and License Renewal

According to the 2013 *Survey of Pharmacy Law*, 53 boards of pharmacy require pharmacists to participate in continuing pharmacy education (CPE) activities as a prerequisite for license renewal.

Set up Your NABP e-Profile!

CPE Monitor, through the collaborative efforts of NABP, the Accreditation Council for Pharmacy Education (ACPE), and ACPE providers, allows you to electronically keep track of CPE credits from ACPE-accredited providers. To view and track these credits, you must first set up an NABP e-Profile, obtain your NABP e-Profile ID, and register for CPE Monitor. You may do so by clicking on the "Log in to Your e-Profile to Access CPE Monitor" link below. ACPE-accredited providers will ask for your e-Profile ID and your date of birth in order to properly record your CPE credits through the system.

[Log in to Your e-Profile to Access CPE Monitor](#)

When you click on the link above you will be brought to a secure Web page. A secure or encrypted Web site address begins with HTTPS rather than HTTP, and often includes an icon in the browser such as a padlock.

Please keep your User name and Passwords as you will need these to access your

presentation on the day of the conference.

If you have any questions please contact Dustan Briley @ d-briley@onu.edu or Chandra Dunbar @ c-dunbar@onu.edu.
